Jo Nelson

Jo Nelson grew up in Souix City, Iowa & lives in Hastings, Nebraska. Neither place is likely for origination of such a spirited art form. She celebrates the Oriental mystique by painting with objects. Asked by patrons when she had visited & studied the Far East, she replies "in another life."

Her works are collected by many in this country as well as in Great Britain, Germany, Denmark, Australia, Canada, Brazil & France. Her art is also highly sought after in more likely places such as China, Japan, Malaysia & Africa. She hosts an international flavor & person.

To all of those who would like to become a segment of these vital, artistic treats, "Welcome Aboard!"
